COUNTY OF CLARK

I, Vicki J. Schornhorst, P.E., being first duly sworn, depose and say that site inspections have been made by me, or under my supervision and direction, on the 2nd of February, 1999; that the location of each reference monument has been verified by site inspection; that the point of diversion has been inspected; that this map, consisting of 1 sheet, prepared by me, or under my supervision and direction, relying upon analysis of recorded survey maps and other recorded surveying documents in the office of the State Engineer, State of Nevada, that this map truly and correctly represents the proposed location and extent of the works used to divert water from the Bonanza/Mojave Water Resource Center, in Clark County, Nevada, by the City of Las Vegas, for storage purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
