STATE OF COLORADO )  
 ) SS.  
COUNTY OF MESA )

I, W T Cohan, being first duly sworn, depose and say that this map, consisting of a single sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between 11th day of March 2000 and the 13th day of March 2000; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in the White Plains Basin in Churchill County, Nevada by Northern Nevada Stone Company, Inc. and Nevada Land and Resource Company, LLC, for mining and milling purposes. That the proposed point of diversion, the proposed location of the mine and mill and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
