STATE OF NEVADA  
COUNTY OF WASHOE SS:

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 5th day of August, 2000; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lyon County by Faith Baptist Church of Silver Springs for Church and Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be used are fully and correctly designated thereon.

Subscribed and sworn to before me on this 8th day of August, 2000.
