

STATE OF NEVADA SS:  
 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of October, 2000; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Pershing County by N. McCombs Family Trust for Irrigation and Domestic Purposes. That the proposed Point of Diversion, the approximate size of the diverting channel, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, shown by 40-acre subdivisions the areas proposed to be served, are truly and correctly designated thereon.

Subscribed and sworn to before me on this 19th day of October, 2000.
