NOTES: (CONT.)

On the original Application No. 5299 Certificate 2644 filed by Fred C. Hummel, the spring name was given as "Dunnisher Springs" and no tie was given as to the location of this spring. The place of use has also been determined to be incorrect on the original Application; SE1/4SW1/4 of Section 30 was listed as the location of the spring.

Amended Permit No. 15586 was filed by Leslie R. Hummel on this spring and the name was given as "Dunnashee Spring". This Permit was cancelled on February 8th, 1961.

Our field investigation shows that there is only one spring in this area. The correct spelling of the name of this spring should be "Donna Schee Spring".
