I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 28 th. day of May, 2001 and that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Eureka County by Gary L. Graber and Debbie Graber for Irrigation and Domestic Purposes. That the proposed point of diversion, the approximate size of the diverting conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas to be served, are fully and correctly designated hereon.

Subscribed and sworn to before me on this 7th. day of June, 2001.
