I, Dwight L. Smith, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction between the 24th day of December, 1998 and the 29th day of June, 2000; that it truly and correctly represents the existing location and extent of the works used to divert water from an underground source in Nye County, Nevada by Nevada Department of Transportation, for quasi-municipal purposes; that the point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, the location and names of all other works, the boundary of all lands showing by 40-acre subdivisions, and the areas proposed to be served are fully and correctly designated hereon.

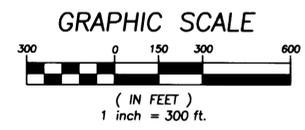

DWIGHT L. SMITH
STATE WATER RIGHT SURVEYOR NO. 1045
