

STATE OF NEVADA
COUNTY OF WASHOE SS:

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 4th. day of September, 2001; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Humboldt County by Fred S. Anderson and Tami M. Anderson for a change of the point of diversion and place of use of a portion of Permit No. 45775, Certificate No. 14165 for Irrigation and Domestic purposes. That the proposed point of diversion, the size of the diverting channel, the location and names of all other works which will cross or connect with the proposed works, and the boundaries of all lands, showing the areas of use, are fully and correctly designated thereon.

Subscribed and sworn to before me on this 17th. day of September, 2001.
