I, Harry R. Ericson, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction between the 6th day of February, 2001 and the 27th day of September, 2001; that it truly and correctly represents the existing location and extent of the works used to divert water from existing springs and underground sources in Pershing County, Nevada by C Punch Inc., for stockwater and domestic purposes; that the point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, the location and names of all other works, the boundary of all lands showing by 40-acre subdivisions, and the areas proposed to be served are fully and correctly designated.
