AFFIDAVIT

STATE OF NEVADA)
COUNTY OF CLARK)

I, Denise A. Burton, being first duly sworn, depose and say that site inspections have been made by me, or under my direction, on March 8, 2002, that the location of each reference monument has been verified by site inspection; that the point of diversion and place of use sites have been inspected; that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from surveying calculation notes prepared by me, or under my supervision and direction, relying upon analysis of recorded survey maps and other recorded surveying documents in the office of the State Engineer and Clark County Records; that this map truly and correctly represents the proposed location and extent of the works used to divert water from underground, in Clark County, Nevada, by the Coulthard Family Trust UTD May 16, 2000 for domestic and irrigation purposes; That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, are fully and correctly designated; That the area to be removed from irrigation, being a portion of APN number 139-20-202-011, is fully and correctly designated herein.
