STATE OF NEVADA      SS:  
 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from information furnished to me by a representative of RDW NEWCO, INC. to revise the place of use of Permit No. 47685 as shown on the map for Milchem Incorporated on May 17, 2002; that it truly and correctly represents the location and extent of the works used to divert water from the Miller Mine Open Pit in Lander County by RDW NEWCO, INC. for Mining, Milling and Domestic Purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivision the proposed areas for use, are fully and correctly designated thereon.

Subscribed and sworn to before me on this 20th. day of May, 2002.
