

A brass cap marked s 10 | s 11 bears N 07° 59' E 1223 feet from the proposed well site.
1933

Basis of bearing from USGS 7.5 minute topographic map (Charleston Peak).
Distances and bearings determined by measurement on map.

T. 19 S., R. 56 E., M.D.B. & M.

STATE OF NEVADA
COUNTY OF WASHOE

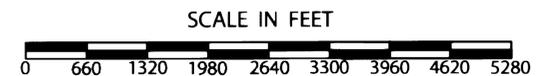

I, Eugene E. Blanchard,
being first duly sworn, depose and say that
this map has been correctly drawn to the
designated scale by me, from an enlarged
U.S.G.S. 7.5 minute topographic quad-
rangle. A field verification was conducted
by Forest Service personnel to confirm the
location of monuments. That it truly and
correctly represents the proposed location
and extent of waters for use from an 8"
cased well with sanitary seal.

by UNITED STATES of AMERICA,
Forest Service, for Quasi-municipal purposes;
that the point of diversion, the place
and manner of use, and the location and
names of all other works or streams which
are crossed by or connected with the said
works, are fully and correctly designated
hereon.

Eugene E. Blanchard
STATE WATER RIGHT SURVEYOR No. 97

Subscribed and Sworn to before me
Josephine Leone, this 29th day
of *January*, 2003

Notary Public in and for Washoe County,
