I, C.V. Taylor, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 7th and 9th days of March, 1943, that it truly and correctly represents the location and extent of the works used to divert water from Florence Canyon Spring in Churchill County by Thos. Ormachea for stock-watering purposes under Application No. 7535. That the point of diversion and natural channels in the immediate vicinity are correctly designated thereon.

C.V. Taylor
State Water Right Surveyor

Subscribed and sworn to before me this 12th day of March, 1943.
