I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me, completed on the second day of January 1936; that it truly and correctly represents the location and extent of the works used to divert water from Locust Spring and Coal Spring, in Lincoln County by John G. Pace for stockwatering purposes; that the point of diversion, the location and size of the diverting pipes, the place and manner of use and all works connected with said works are fully and correctly designated thereon.

Frank Walker
State Water Right Surveyor

Subscribed and sworn to before me
this 2nd day of January 1936.
