I, Rick P. Christain, being first duly sworn, do depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made under my direction on July 9, 2003, that it truly and correctly represents the extent and location of proposed works to divert water from underground sources, in Lyon County by Pearl A. Geurts, for irrigation purposes. That the existing point of diversions, and the boundary of all lands are fully and correctly designated thereon.
