

I, Richard E. Fonger, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of August, 2003, that it truly and correctly represents the proposed location and extent of works used to divert water from underground sources, in Eureka County, Nevada, by James E. and Susan M. Gallagher, for irrigation and domestic purposes, under Permit 18851, Certificate 6831.
