I, Dean Neubauer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 19th day of November, 2003 and the 21st day of November, 2003; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source, in Lincoln County, Nevada by Michael Heizer for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.

Dean Neubauer
State Water Right Surveyor No. 917

Subscribed and sworn to before me this 12th day of December, 2003.
Penny Alworth
