STATE OF NEVADA SS:  
COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of surveys made by me on the on the 11th day of July, 1985 and on the 25th day of January, 2001; that it truly and correctly represents the proposed and existing points of diversion from underground sources in Eureka County by Mark Moyle Farms LLC; that the proposed place of use is shown by a pivot circle of the new application and the remaining areas (corners) are listed in amount table; that the proposed and existing use is for Irrigation and Domestic Use. That the Proposed Point of Diversion, the approximate size of the diverting channel, the location and names of all other works which will cross or connect with the proposed works, all reservoirs and basins, and the boundary of the areas proposed to be irrigated, are fully and correctly designated thereon.
