

I, Richard E. Fonger, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me started and completed on December 8, 2003; that it truly and correctly represents the proposed location and extent of works to divert water from Smith Creek sources in White Pine County, Nevada by Douglas W. Carson, Trustee of the Douglas W. Carson Trust, Dated October 19, 1990.
