MOVED BY APPLICATION 71374

PERMIT NO. 49687, CERTIFICATE
NO. 14513 TO BE MOVED BY
APPLICATION NO. 71375

STATE OF NEVADA SS:
COUNTY OF WASHOE

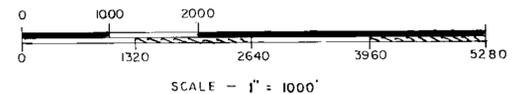

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from plans of water applications for the well location and places of use of the different permits and their locations and that it truly and correctly represents the proposed location and extent to use the water from the underground source in Esmeralda County by Rod and Marie Dowers to change the Place of Use and Manner of Use of a portion of Permit No. 45517 Certificate No. 13668 to a new place of use for Stock Use under Application No. 71373; to change the Place of Use of a portion of Permit No. 45517, Certificate No. 13668 to a new Place of Use for Irrigation Use under Application No. 71374, and to change the well location and Place of Use of Permit No. 49687, Certificate No. 14513 to a new Place of Use for Irrigation Use in a Pivot Circle under Application No. 71375. The existing portions of Permit No. 45517, Certificate No. 13668 in pivot circles will remain in place and will continue to be irrigated in the NW 1/4 of the SW 1/4 and the SW 1/4 of the NW 1/4 of Section 10, Township 4 South, Range 36 E., M.D.B.&M from the existing well in Section 3 of the same Township and range. The survey for these projects was done in June of 2004 by Ernest E. Muller, Sr.

That the proposed proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works which will cross or connect with said works, and the boundary of all lands, shown by 40 acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.

Subscribed and sworn to before me on this 1st day of July, 2004.

Diane R...
