I, Lonnie C. Roy, being first duly sworn, depose and say that site inspections have been made by me, or under my direction, on November 13, 2005, that the location of each reference monument has been verified by site inspection; that the point of diversion and place of use sites have been inspected; that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from surveying calculation notes prepared by me, or under my supervision and direction, relying upon analysis of recorded survey maps and other recorded surveying documents in the office of the County Recorder and State Engineer; that this map truly and correctly represents the proposed location and extent of the works used to divert water from underground, in Nye County, Nevada, by PIV, LLC for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
