I, Michael D. Buschelmann, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from notes of a survey made under my supervision and direction on May 19, 2006, that this map truly and correctly represents the proposed place of use and proposed point of diversion used to divert water from an geothermal underground source in Lyon County, Nevada, by HOMESTRETCH GEOTHERMAL, LLC, for wildlife habitat maintenance purposes.
