I, Michael D. Buschelman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from surveying calculation notes prepared under my supervision and direction before the 28<sup>th</sup> day of June, 2006, relying upon analysis of recorded survey maps and aerial photography in the office of the Clark County Recorder and Clark County Assessor; that this map truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Clark County, Nevada, by LARRY BRYAN for quasi-municipal purposes and RONALD DEE WILLIAMS & LYNN WILLIAMS for irrigation purposes.
