

SURVEYOR'S CERTIFICATE

STATE OF NEVADA }
County of White Pine } ss.

I, Dean Neubauer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 21st day of June, 2006 and the 23rd day of June, 2006; that it truly and correctly represents the proposed location and extent of the works used to divert water from Madelina Spring source, in White Pine County, Nevada by John D. Fleming for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
