I, Glen C. Armstrong, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between the 10th of April, 2007, and the 25th of April, 2007; that it truly and correctly represents the proposed location and extent of the works used to divert water from Black Canyon Creek, in Pershing County, Nevada, by Victoria Resources US Inc for Drilling Exploration (mining) purposes. That the proposed point of diversion, the location of the mine, the approximate size and capacity of the diverting channel, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
