I, Dean Neubauer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 7th day of May, 2007 and the 11th day of May, 2007; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source, in White Pine County, Nevada by Douglas W.
