0.375 acres are water righted

Remaining Area: 0.416± acres, of which  
0.375 acres are water righted

STATE OF NEVADA }  
COUNTY OF WASHOE } 55

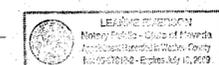

I, George G. Lindesmith, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on December 19th, 2007; that it truly and correctly represents the proposed location and extent of the works used to divert water under Permit 63418 from an underground source in Washoe County, Nevada, by RICHARD E. GILL and NANCY A. GILL for Municipal and Domestic purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated hereon.

George G. Lindesmith  
State Water-Right Surveyor No. 704

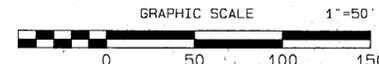

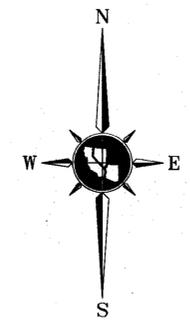

Subscribed and sworn to before me on this 20 day of December, 2007.

*Leuel Swann*  
Notary Public
