I Robert R. Squires, being duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale, from field notes of a survey made by me on November 5, 2008, and U.S. Geological Survey Misfits Flat, Nevada, 7.5 Minute Series (Topographic) Map. This map truly represents the proposed point of diversion to divert water from an underground source in Lyon County, Nevada, for quasi-municipal and domestic use by Stagecoach General Improvement District. The location of the point of diversion is correctly designated hereon.
