I, Thos. R. King, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 20<sup>th</sup> day of June, 1929; that it truly and correctly represents the location and extent of the works used to divert water from Hardscrabble Creek in Washoe County by A.J. Olds for irrigation purposes, under application No 8774. That the point of diversion, the location, size and grades of the diverting channel, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No 8774 is used, together with the area and kind of culture in each 40 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly described hereon.

*Thos. R. King*  
State Water Right Surveyor.

Subscribed and sworn to before me this 15<sup>th</sup> day of July, 1929.

*G. Richards*  
Notary Public in and for  
Washoe County, Nevada.
