

NOTES:

- 1) Unless noted as "FOUND", the positions of the section corners and quarter corners shown hereon have been computed by using the Geographic Coordinate Database (GCDB) and adjusting it with the found monuments shown hereon.
- 2) The distances shown hereon are grid. To obtain ground distances, multiply the grid distance by a combination factor of 1.00061.
- 3) The well location has been staked with a flagged steel fence post.
- 4) The centerline of the access road has been staked with flagged wood lath at approximately 100' intervals.
- 5) The 250'x250' drill pad area has been staked with flagged wood lath at the four angle points. The 350'x350' drill pad as shown was requested by Nabors Drilling via Major Oil International on January 19, 2012. The angle points of the 350'x350' drill pad have not been staked.
- 6) The oil well location shown hereon is located within the Northeast Quarter of the Northeast Quarter of Section 25, Township 7 North, Range 50 East, MDM.
