I, Glen C. Armstrong, being first duly sworn, depose and say that this map, consisting of one (1) sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between January 1, 2013, and February 21, 2013; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Churchill County, Nevada, by Naval Air Station Fallon, for Quasi-Municipal purposes; that the place of use, the location and name of all other works, and the boundary of all lands shown by 40 acre subdivisions are fully designated hereon.
