I, Martin Ugalde, being first duly sworn depose and say that this map, consisting of one sheet, inclusive, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on 5/3/13, and that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in Nye County, Nevada, by Michael A. and Claudia C. Casey for stockwater purposes; that the proposed point of diversion, the approximate place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
