STATE OF NEVADA }
COUNTY OF WASHOE } SS

I, Lee H. Smithson, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from information obtained from the record maps listed below and survey information compiled under my supervision and direction on June 11, 2013, that this map truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Washoe County, Nevada, by RICHARD J. LEGARZA and JOSEPH M. LEGARZA for quasi-municipal and domestic purposes. That the existing point of diversion, the location and names of all other works and the boundary of all lands, showing by 40-acre subdivisions the areas, proposed to be served, are fully and correctly designated thereon.

Subscribed and sworn to before me on this 18TH day of
JUNE, 2013.
