State of Nevada ss.  
 County of Washoe

I, Glen C. Armstrong, being first duly sworn, depose and say that this map consisting of one (1) sheet, has been correctly drawn to the designated scale from information on file in the Official Records of Washoe County, Nevada, maps prepared by the Washoe County Assessor, and information reproduced electronically from the maps of the Truckee River Adjudicated Suit - United States of America vs. Orr Water Ditch Company, et.al., inspections have been made by me, or under my supervision and direction between April 1st, 2013 and May 17th, 2013, that it truly and correctly represents the existing location and extent of works used to divert water from the Truckee River in Washoe County, Nevada, by Thomas J. and Andrea E. Sorensen for irrigation purposes under Claim 346/347 that the Point of Diversion, the location, size of the diverting channel or other conduit, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Claim 346/347, together with the area in each 40 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated hereon.
