I, KEVIN D. HASKEW, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale, from field notes of a survey made by me or under my direct supervision, on January 8, 2015; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Esmeralda County, Nevada by Tonopah Resources, Inc. for Milling and Mining purposes. To change the point of diversion of a portion of permit 83477. That the point of diversion, the approximate location and size of the diverting channel or other conduit, all reservoirs and basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the area proposed to be served, are fully and correctly designated thereon.
