County of Pershing, }

I, Louis H. Boukal, being first duly sworn, depose and say that this map and profile consisting of 6 sheets, numbered from 1 to 6 inclusive, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the days of Aug. 5th and Aug. 14th, 1929; that it truly and correctly represents the location and extent of the proposed works used to divert water from Star Creek, in Pershing County, by Central Pacific Railroad Company, for transportation purposes. That the proposed point of diversion, the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Louis H. Boukal
State Water Right Surveyor.

Subscribed and sworn to before me this 7th day of September, 1929.
