STATE WATER-RIGHT SURVEYORS AFFIDAVIT.  
 State of Nevada } ss.  
 County of Mineral }  
 I, L. B. Spencer, being duly sworn depose and say that this map has been correctly drawn to the designated scale from the field notes of a survey made by me on the 5th day of March, 1930, that it truly represents the location and extent of the proposed works used to divert the water from Easter Spring in Mineral County, Nevada, by Mammoth Quicksilver Mining Company by Noble C. Smith, President, for mining, milling and domestic purposes. That the proposed point of diversion and return, the location of the mine and camp, approximate size and capacity of pipe line, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated hereon.
