 COUNTY OF ORMSBY }

I, E.H. Sweetland, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on August 14th, 1930; that it truly and correctly represents the proposed location and extent of the works used to change the point of diversion, place and manner of use of water from North Fork of Zephyr Cove Creek in Douglas County by Skyland Camp Inc. for Irrigation and Domestic purposes.

That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
