I, Thos. R. King, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 16th day of November, 1931; that it truly and correctly represents the location and extent of the proposed works used to divert water from Scossa Well, in Pershing County, by E. A. Ludwick and James J. Garnier, for Mining and Domestic purposes. That the point of diversion, the approximate size and location of the proposed diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
