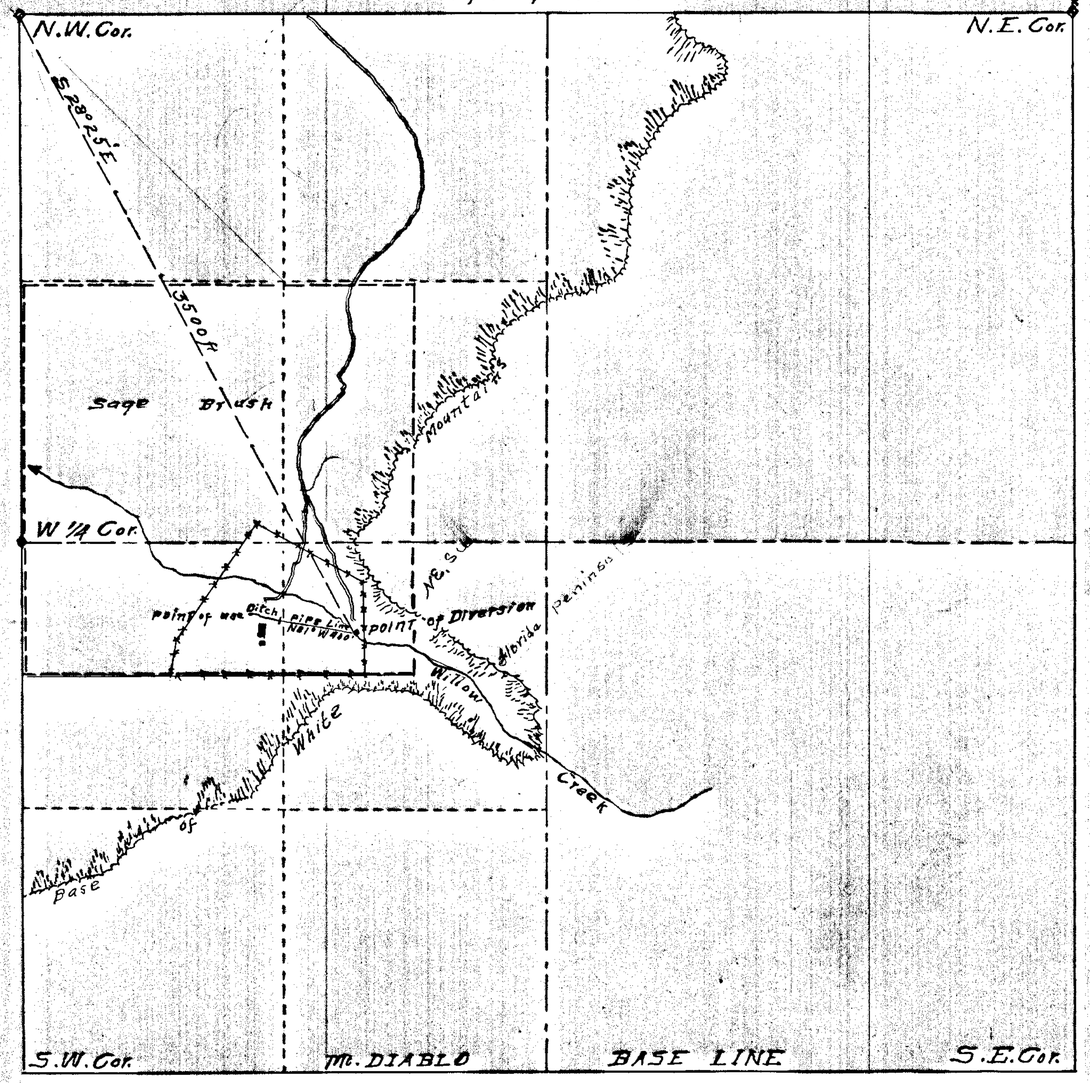
Sec. 35
T.1.N., R.32.E



STATE OF NEVADA } SS:
County of Mineral }

I, S.T. McELROY, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me betwene the twetyth day of September and the first day of October 1931; that it truly represents the location and extent of the works used to divert water from Willow Creek in MINERAL County by MAY and JOHN RENFRO for irrigation and domestic purposes that the point of diversion the location and size of diverting conduit, the place and manner of use, and location and names of all other works which are crossed by or connected with the said works are fully and correctly designated thereon.

See letter in file Oct 6, 1931 from May Renfro

S.T. McElroy
State Water Right surveyor

Subscribed and sworn to before me this 7th day of October 1931.

L.E. Courtney

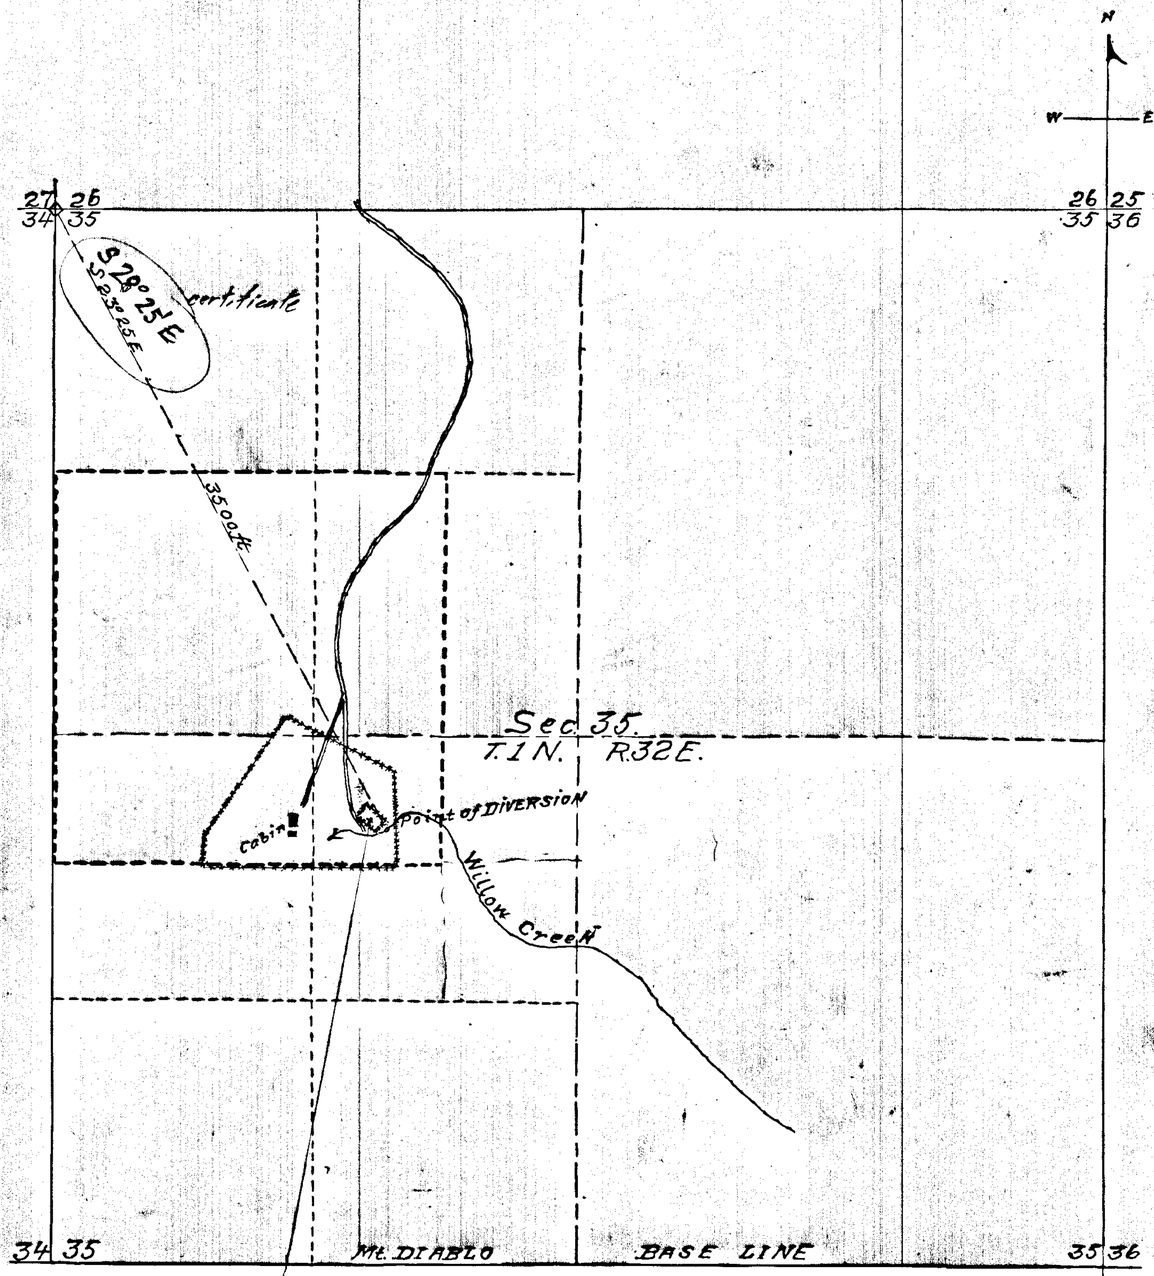
— TITLE —

"WILLOW CREEK"
APPLICATION No 9528
MAY RENFRO
Mt. MONTGOMERY
NEVADA

9528



Orchard and Garden, where the Willow Creek water is used for irrigation, is located in NW ¼ of the NE ¼ of the SW ¼ of Sec. 35-Tp 1 N. R 32 E - Mt D. B & M. Area of field = 0.1412 acres.

A 2 inch iron pipe 36 ft long carries Willow Creek water from Point of Diversion to Garden.

STATE OF NEVADA } S.S.
County of Mineral }

I Joseph Markert being first duly sworn depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the twentieth and twenty second day of July 1936, that it truly and correctly represents the location and extent of the works used to divert water from Willow Creek in Mineral County by John and May Renfro for irrigation and domestic purposes under application No 9528. That the point of diversion, the location size and grades of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicants upon which water applied for under application No 9528 is used, together with the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Joseph Markert
State Water Right Surveyor.

Subscribed and sworn to before me this 6th day of October 1936.

L. L. Laurlier
