STATE OF NEVADA
COUNTY OF CHURCHILL } S S.

I L.W. Crehore being first duly sworn depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 12 day of October and the 14 day of October 1931; that it truly and correctly represents the location and extent of the proposed works used to convey water from Dawes proposed Well in Pershing County by E. M. Dawes for Milling and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
