I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale, from field notes of a survey made under my direction and supervision, completed on the first day of November 1935; that it truly and correctly represents the location and extent of the works used to change the place and manner of use of the waters from "Three Tunnels" from Irrigation to Mining and Milling purposes.  
 That the proposed point of change, the approximate location and size of the pipelines, the place and manner of use are correctly designated thereon.

*Frank Walker*  
 State Water Right Surveyor

Subscribed and sworn to before me this 2nd day of Nov. 1935.
