 County of Lincoln, } S.S.

I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, completed on the 10th day of January 1935; That it truly and correctly represents the location and extent of the proposed works used to divert water from Stuart Well in Lincoln County, by Caliente Cyaniding Company for milling purposes. That the proposed point of diversion, the location of the mill, the approximate size of the diverting pipeline, and the location and names of other works which are connected with said works are fully and correctly designated thereon.
