STATE OF NEVADA  
CARSON CITY S.S.

I, Bruce R. Scott, being first duly sworn, depose and say that this map, including the site plan, was correctly drawn to the original scale of the original survey made under the authority of the State of Nevada on June 1991, and the 5th day of November, 1991, that it truly and correctly represents the proposed location and extent of the works used to divert water from Morgan Creek and Tributaries in Nye County, Nevada, by Store Safe Redlands Associates, Ltd., a Partnership, aka Rock Springs Ranch for irrigation purposes. That all other works or streams which are crossed by or connected with said works, and the boundary, area kind of culture of lands irrigated, are correctly shown and designated hereon.
