I, Bruce L. Rice, being first duly sworn, depose and say that this map, consisting of 1 sheet, numbered 1 of 1, inclusive, has been correctly drawn to the designated scale from a Global Positioning System (GPS) survey made by me, or under my supervision and direction, on August 25, 1999; that it truly and correctly represents the proposed location and extent of the works used to divert water from an Honeck Spring in Humboldt County, Nevada, by the United States Department of Interior, Bureau of Land Management, for stockwatering and wildlife purposes.
