

Location of map relative to Basin 097 - Honey Lake Valley

I, Nicole K. Cutler, being first duly sworn, depose and say that this map, consisting of ONE sheet, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between May 01, 2014 and July 15, 2015; that it truly and correctly represents the proposed location and extent of the works used to divert water from multiple sources, in Washoe County, NV by the Bureau of Land Management, for the purpose of human and domestic livestock consumption as defined in the executive order of 1926 known as "Public Water Reserves No. 107", that the points of diversion and the location and names of all perennial sources which are in the vicinity of or connected with the said Public Water Reserves are fully and correctly designated thereon.
