I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 15th day of November and the 23d day of December 1931; that it truly and correctly represents the location and extent of works used to divert water from Clover Wash in Lincoln County, by Dave L. Barnes, for irrigation purposes. That all other works which are crossed by or connected with said works, and the boundary, area and kind of culture of lands irrigated are correctly shown and designated hereon.

Subscribed and sworn to before me this 23 day of December 1931.
