I, W. J. Archer, being first duly sworn, depose and say, that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) between the 16th day of August and the 19th day of August 1940; that it truly and correctly represents the proposed location and extent of the works used to divert water from Big Spring and Warm Spring in Modoc County, by R. M. Miller, for irrigation purposes, that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed work and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

W. J. Archer
Nevada State Water Right Surveyor

Subscribed and sworn to before me 4th day of November, 1940.

My commission expires ... 11, 1944. Notary Public
