I, J.V. Caselli, being first duly sworn, depose and say that this map, consisting of one (1) sheet inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 21st day of June and the 22nd day of June, 1958, that it truly and correctly represents the location and extent of works used to divert water from Big Smokey Creek in Lander County by E.F. & H. Beard, for irrigation and domestic purposes. That all other works crossed by or connected with said works, and the boundary, area, kind of culture of lands irrigated, are correctly shown and designated thereon.
