COUNTY OF HUMBOLDT SS

I, *William J. Newman*, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 29th day of March and the 4th day of April, 1962; that it truly and correctly represents the location and extent of the works used to divert water from Horse Creek, in Humboldt County, by HENRY and CANDIDA MARCUERQUIAGA for irrigation, stockwatering and domestic purposes. That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of lands irrigated, are correctly shown and designated hereon.
